 I would like to walk this world with You,    always

 Never want to be apart from You,    O Lord

 I am sometimes overwhelmed by Truth and Your ways

 Could it be that I was made for You, I'm blown away

## VERSE 2

D2                    E5                    A2/F#                    D2   E5   A2/F#  
 Would You stay and listen for awhile, please stay  
 D2                    E5                    A2/F#                    D2   E5   A2/F#  
 And let me talk of how You make me smile, oh...  
 D2                    E5                    A2/F#                    D2   E5   A2/F#  
 I would like to leave it all behind, my ways  
 D2                    E5                    D2/B  
 But I get caught up in myself sometimes  
 D2   A/D   D2   A/D  
 All I can say
