

For Immediate Release

**Integrity Music To Release New French Album From
Renowned Worship Leader/Songwriter Paul Baloche
Glorieux (Glorious) Available July 2**

Integrity Music announces the July 2 global release of *Glorieux (Glorious)*, a 14-track French worship album from Dove Award-winning modern hymn writer and worship leader Paul Baloche.

Glorieux is the second full-length French recording from Baloche, writer of such top-ranking CCLI songs as “Open The Eyes Of My Heart,” “Above All,” “Hosanna,” “Your Name” and “The Same Love.” The album follows his 2009 release *Ouvre Les Yeux De Mon Coeur (Open The Eyes Of My Heart)* and features a selection of songs from his critically acclaimed English language albums *The Same Love* and *Glorious*.

Baloche recorded *Glorieux* in Quebec and Lyon, France, working with local translators and worship leaders in each area to both acquire the best possible translations and to initiate a sense of community beyond borders. For Baloche, whose parents were French-Canadian by birth, both recordings are a way to honor his heritage while reaching out to the over 200 million French-speaking people around the world.

“It’s a missions project,” says Baloche. “One of my main passions is to bring people together, to work together to do something for the kingdom. These are simply my best efforts to do that while sharing songs with people who want to connect with God in their native tongue.”

The complete track list for *Glorieux* is:

1. Glorieux (Glorious)
2. Tu Nous A Sauvés (You Have Saved Us)
3. Tout Mon Espoir (My Hope)
4. Roi Des Cieux (King Of Heaven)
5. Cet Amour (The Same Love)
6. Nous Sommes Sauvés (We Are Saved)
7. Par Le Don De La Croix (All Because Of The Cross)
8. Être Près De Toi (Just To Be With You)
9. Voici Le Jour (Today Is The Day)

10. Oh Seigneur (Oh Our Lord)
11. Vois Donc Le Seigneur (Look Upon The Lord)
12. Règne En Moi (Reign In Me)
13. Merci Pour La Croix (Thank You For The Cross)
14. Alléluia

Glorieux will be distributed globally through Christian retail stores and through digital service providers including Amazon and iTunes.
